Applying to Kirklees & Calderdale SCITT for 2021

It's almost time for applications to open for 2021 start. We are looking forward to meeting prospective trainees over the coming months at our online events through to interviews. Please be rest assured that although we are in challenging times with Covid 19, we are committed as a SCITT to providing the same level of provision that our trainees and schools expect. We will be continuing to provide most of our information online however we do hope to be moving back to face to face as soon as things allow.

For our current cohort who began their training in September 2020, we are proud of the fact that we have managed to retain our weekly face to face training to enable us to provide our trainees with the support and quality of training that they deserve. We secured a larger training venue to enable 2m distancing for all trainees and a Covid safe environment. This is all part of the commitment we make to our trainees.

As ever, the arena of applying to teacher training is complex and we are here to answer all your questions about the process. Check our Facebook posts and our website for up to date information or e-mail us at training@kcscitt.com with any queries.

Who do I apply to?

You can apply directly to ourselves or via one of our 4 School Direct Partners (<https://www.kcscitt.com/scitt-or-school-direct/>) – find out about our Partners here and what they offer and which route you should choose.

How to apply

You can apply to us through UCAS or Apply – we'd prefer it if you used Apply however we will also accept applications through UCAS.

Why 2 systems?

The Government have introduced Apply to replace UCAS but this is a transition year so both systems are up and running.
